PREMIUM PRIVATE TRAVEL

The TBM 850 Charter based in Ibiza offers **premium, efficient private travel across the Mediterranean and beyond**. Commonly known as the Daher-Socata TBM 850, it is recognized as **the world's fastest single-engine turboprop**, combining jet-like performance with turboprop efficiency. From Ibiza, reach the **Balearics**, mainland **Spain, France, Italy** and other Mediterranean destinations quickly and comfortably.

KEY HIGHLIGHTS

- Up to 4 passengers in a spacious, club-style leather cabin with ample legroom and panoramic views
- Cruise speed of 310 knots (~565 km/h) – jet-like performance at turboprop efficiency
- Single-pilot capable for select operations, with professional crew ensuring safety and smooth flights
- Quick access to smaller airports and shorter runways – ideal for island-hopping or direct city-to-resort trips
- Luxurious interior: Premium seating, climate control, and baggage space for golf bags, luggage, or weekend gear
- Economical and fast: Reach Mallorca in minutes, Barcelona or Valencia in under an hour, or the French Riviera in ~1.5–2 hours
- Why Choose TBM 850 Ibiza Charter?
- Avoid commercial delays and crowds – fly on your schedule
- Perfect for business trips, family getaways, or celebrity discreet travel in the Balearics
- High-altitude capability (up to 31,000 ft) for smoother rides over weather
- Reliable Pratt & Whitney PT6A engine with proven performance
